

## PRIVACY POLICY

This page explains how the website "**www.loveternity.com**" is managed in relation to the processing of personal data of users who use it (privacy policy) in full compliance with Legislative Decree No. 30/06/2003 196 (Law on protection of personal data) and subsequent amendments and integrations. The contents of this document must also be intended as informative pursuant to art. 13 of Legislative Decree no. 196/2003 and subsequent amendments, as the site is aimed at making electronically available services to users and the collection of their data by the company **WASABIT S.r.l., based in Udine (Italy), Vicolo Brovedani No 2 / D (VAT code reg. no. 02600530303)**, who is the holder of the domain name of the site [www.loveternity.com](http://www.loveternity.com) and responsible for the technical and functional management of the Web Portal with the exception of websites accessible to the user via links within the abovementioned site and subject to the responsibilities of the hosting company.

This company ensures that the collection and processing of data will be based on principles of fairness, transparency and protection of confidentiality. This information pertains to the specific processing operations related to sending data over the web for the use of services made available on the website and the collection of data related to user navigation within the portal above and refers to Recommendation No. 2 / 2001 by the European authorities for the protection of personal data found in art. 29 of Directive 95/46, issued May 17, 2001 to establish certain minimum standards for the collection of personal data via the web, and in particular, the methods, the timing and nature of the information that data controllers are required to give to navigators when they connect to web pages, regardless of the reason and purpose of their connection.

The "Privacy Policy" section of this site will be updated regularly to be effective and binding once posted on the website. We recommend you print, read carefully and retain this policy, prior to granting any data concerning you.

### **1. TYPES OF DATA AND PURPOSE OF TREATMENT.**

Following the consultation of this Website, data may be processed relative to persons identified or identifiable.

#### Web Data:

The computer systems and computer programs required to operate this web site need, during their normal operation, some personal information whose acquisition is automatic and inevitable if you use Internet communication protocols. This data, while not being acquired for the specific purpose of identifying relevant interested parties, could quite well, because of its characteristics, be associated with third party databases and thus allow for the identification of users. It belongs to the category of data, for example, IP addresses or domain names of computers used by users who connect to the site, URI (Uniform Resource Identifier) of the resources required, the time of the request, the method used to submit the request to the server, the size of the file obtained in reply, the numerical code indicating the status of the response from the server (successful, error, etc..) and other parameters relating to the operating system and the computer user's environment.

The data is recorded by the provider (hosting solutions), according to its standard features and is only used to obtain anonymous statistical information about the use of the Site and to verify proper operations. The statistical results of access surveys (including, for example, data relative to traffic and the user's stay on the website), although anonymous, will not be communicated however. The data could also be used to ascertain responsibility in case of crimes against the Portal, according to procedures established by the competent authorities.

#### Data provided voluntarily by the user:

The website carries out the registration of certain personal data (data, telephone and fax numbers, email addresses, etc..), as well as, on request of the user, the publication of pictures and names. The optional communication, explicit and voluntary personal information leads to data storage within

the site database. The disclosure of user data is therefore necessary to use the services provided by the site (in particular for the publication of advertisements on the site with pictures and messages of love, on payment, in individual spaces, called “loveboards” used for eternity), and in order to receive any requests for information about the activities advertised on the site and/or commercial communications and newsletters via email, in addition to the offer of services through a mailing list. User data will also be collected for internet statistical purposes to meet the obligations foreseen under the present laws, regulations, Community legislation and tax rules; to safeguard the security of the site and enforce its terms of use. The information you provide will be processed for a period of time which is no longer than necessary for the purposes for which it was collected. Please note that the user will be solely responsible for the content of the site and on them falls the responsibility of verifying that such material does not violate provisions of the law or the rights of others, even in respect of any images or data of others (including personal details and email addresses) that are published and communicated through the website for any purpose.

## **2. MECHANISMS OF AUTOMATIC DATA COLLECTION.**

This site does not use trojans, spyware, web bugs, or systems for tracing users. Any use of cookies is designed to make site use secure and efficient. These cookies do not allow in any case, the acquisition of personal identification data. Cookies are used only for statistical purposes and do not store passwords or other dangerous information and, by their nature, are however stored on the PC user / site visitor.

## **3. OPTION OF DATA CONFERMENT.**

Except for data relevant to web use (collected by the system), the user is always free to give or not give their personal data. Refusal will not have any consequences, except of course the inability to use the services offered on the site or to obtain information on the initiatives advertised on the same website. The site will highlight the voluntary or compulsory disclosure of information by the special character (\*) next to the obligatory information concerning the data required for the use of services.

## **4. PROCESSING METHODS.**

Personal data is processed by IT INSTRUMENTS for a time not exceeding the duration and no longer than necessary for the processing of the data and within the limits of the purposes for which they were collected and only by staff responsible for processing from the company, the company WASABIT S.r.l.. Personal data relating to web use will not be disclosed to third parties except to the judicial authorities which request it. The personal information provided by the website users will be used only to make use of the services provided by the supplier or to receive any information requested and will not be disclosed to third parties except to the judicial courts if necessary and to perform tasks requested by the user.

Your data will not be disclosed to other parties unless with your consent and after providing appropriate information as provided by law. The web user is asked to verify the accuracy of personal data concerning themselves and eventually make any correction, update or otherwise modify data in the course of data processing. Specific security measures are taken to prevent data loss, misuse or improper and unauthorized access, in accordance with the provisions of existing legislation. However, the company **WASABIT S.r.l** can not ensure that security measures taken to protect the transmission of data through the website exclude or limit any risk of unauthorized access or dispersal/dissemination of data. We therefore recommend you to get up-to-date antivirus devices for the protection of data, as well as safety systems such as firewalls and spam filters.

## **5. RIGHTS OF THE INTERESTED PARTIES.**

Anyone who sends their data to the email addresses found on the website (or fill in the forms for the delivery of communications) may exercise the rights recognized by art. 7 of Legislative Decree No. 30/06/2003 196 (Law on protection of personal data). In particular, the applicant may request:
